

Mayor and City Council Update June 8, 2018

To: Mayor and Council
From: Administration
CC: Department Heads

Community Relations

The first 2018 City Summer Concert is this Saturday, June 9th from 7pm – 10pm, featuring local artist Alex Guthrie and we expect our new stage to be in use.

Library News

Summer Reading – In just ten days of Summer Reading, the library has already awarded over 200 new books as prizes to Smyrna children. Participants have logged 364 hours of reading to date. We are especially encouraged to see a significant increase in active participation from 3rd – 5th graders this year.

Campbell High School Summer Reading – Due to a generous grant from the Friends of Smyrna Library, the Library was able to purchase numerous copies of required summer reading titles on the Campbell High School lists. We have at least 10 copies of each title.

Charyn Darby Foundation Grant – The library received a \$2,500 donation from the foundation in late May. Past grants have been used to fund children's book acquisitions and the creation of special collections such as the new "Music Makers" materials.

Police Department

Total number of calls for service: 1,172

Training: 158 hours

Projects: Working on State Certification. Our new gym expansion is almost complete.

Accomplishments: The PSA video for the distracted driving law wrapped up on Friday and the videographer should have the final edits for us to release within the next seven to ten days.

The Community Outreach Unit conducted the active shooter training program at the International Academy of Smyrna to the teachers and staff before their summer break.

Public Works

Windy Hill Road Blvd. Project:

The AT&T contractor has completed duct installation at Atlanta Road, the Belmont Place. We anticipate lane shifts into the middle lane beginning later next week. Asbestos abatement started this week on 555 Windy Hill Road with demolition to begin next week. Notice to proceed and purchase orders have been issued for abatement and demolition for 743, 765, 815 and 907 Windy Hill Road.

Paving Projects:

The punch list was completed from the previous paving contract from last year. Crews are prepping roads for the anticipated award of the next paving contract.

Pat Mell Road Drainage Project:

The road cut repairs are complete and the contractor has remaining trench drains for the gutter lines, driveway aprons and landscaping. The project is about 80% complete.

Spring Drive Curb Replacement:

The project is complete.

Public Works Storm Sewer Rehab and Detention:

The contractor worked this week installing the discharge storm pipe from the detention pond area and the outlet control structure for the detention pond. Conflicts with the cabling to the cell tower remain to be worked out.

SPLOST Sidewalk Improvements Phase One School Zone:

Sidewalk work continued in the Glendale Elementary school zone area this week. Concrete pours should be completed this week with landscaping remaining.

Fire Station #2:

Contractor continued the masonry wall work in the building and apparatus bay areas. Placement of the roof bar joists is complete and metal roof decking is being installed.

Crews worked this week on landscaping and grass cutting work orders. A purchase order for the bid award for pavement striping and a notice to proceed were issued this week. A pre-construction meeting is scheduled next week with a striping contractor, a pre-bid meeting is scheduled for the traffic signal and fiber adjustments at pole attachments and bid opening for the Community Center roof replacement.

Projects out for Design:

Lake Court Park Storm Sewer – Design 100% complete

Whitfield Street Storm Sewer replacement – Design 90% complete

Durley Down Court Headwall Replacement

Gann Road Bridge Replacement Survey Work Complete – Design is 80% complete

Projects out for Bid:

Community Center Roof Replacement

Traffic Signal and Fiber Pole Adjustments

Projects to Award:

Afton Downs Storm Pipe Replacement

Street Paving Bid 6/18/18

HVAC Replacement City Hall & Jail 6/18/18
